

Anna and the Handsome Neighbour

by Anna Hunt

Anna, a cheerful young woman, scrolled through a dog-walking app on her phone. She loved dogs but couldn't have one of her own. An ad popped up for a friendly Golden Retriever needing a walker.

The app suggested a meet-up with the dog's owner, who was her new neighbour. Anna, excited, prepared for her first dog-walking adventure. She hoped the dog would be as friendly as it looked in its picture.

Anna arrived at the neighbour's door, a little nervous. When the door opened, she was stunned. Standing before her was the most handsome man she had ever seen. He smiled, and her heart skipped a beat.

The handsome neighbour, whose name was Liam, introduced her to the Golden Retriever, aptly named Sunny. Sunny wagged its tail excitedly, clearly ready for a walk. Anna felt her nervousness melt away.

As they walked, Anna and Liam chatted easily, discovering a shared love for nature and long walks. Sunny trotted happily between them, enjoying the newfound friendship and beautiful weather.

At the end of the walk, Anna and Liam exchanged numbers, promising to do this again. Anna smiled, realizing this wasn't just a dog-walking gig, but the start of something truly special. Sunny barked happily as they waved goodbye.
